Prior to distribution, Digital Assets must be ingested into the Kivuto system, however all Digital Assets will remain the property of the Customer. In the case of cloud management, Kivuto will require an integration built into the Portal being managed as there may be portals currently without integrations. Additionally, Digital Assets will only be distributed to the Customer's Authorized End Users.

(d) Kivuto takes no responsibility for any Digital Asset or Digital Content created, accessible or delivered on or through the Platform. Kivuto does not manage, monitor or exercise any editorial control over such Digital Assets or Digital Content. For the sake of clarity, the parties acknowledge that: (a) Authorized End Users are subject to Kivuto's Term of Use, which must be accepted by Authorized End Users prior to their use of the Platform, and (b) the Terms of Use set forth the terms and conditions of use of the Platform, including restrictions regarding Digital Content.

(e) Customer shall not use the Platform to transmit, distribute or store material that is inappropriate as reasonably determined by Kivuto, or material that is unlawful, harmful, threatening, abusive, harassing, tortuous, defamatory, indecent, offensive, vulgar, obscene, libelous, invasive of another's privacy, hateful, discriminatory, or racially, ethnically or otherwise objectionable. Customer shall ensure that its and its use of the Platform and all Digital Assets transmitted, distributed or stored on the Platform do not violate any applicable domestic or foreign laws or regulations including but not limited to laws relating to digital content distribution, encryption or export or any rights of any third party. If Customer becomes aware of any Digital Content that is illegal, defamatory, libelous, indecent, obscene, pornographic or inconsistent with generally accepted practices, Customer shall notify Kivuto as soon as reasonably practicable.

3.2 Open Education Resource Content. The Customer has the right to distribute as many OERs as it desires. Each distribution will count as a Transaction on the Platform. If the Customer desires to use an OER that is not already available through the Platform, the Customer shall be responsible for identifying the OER and delivering it to Kivuto in the proper format and free of any viruses, Trojan horses, trap doors, worms or any other malicious computer programming routines that might destroy, modify, alter, or cause the destruction, modification or alteration, in whole or in part, of the Platform. 12.1 Kivuto's collection, use and disclosure of Customer's personal information or any other data Customer provides to Kivuto will be governed by Kivuto's Privacy Policy, which can be found at <https://kivuto.com/privacy-policy-index/privacy-policy-en-us/> and by Kivuto's Data Protection Agreement ("DPA"), which can be found at <https://kivuto.com/terms/dpa/>. The DPA forms part of this Agreement.

12.2 To the extent that Kivuto processes personal data on behalf of Customer in performing the Services, Kivuto shall process such personal data only for the purpose of the Services and take reasonably appropriate technical and organizational measures to protect such personal data against unauthorized or unlawful processing; such measures include but are not limited to secure servers, encryption of data in transit and data at rest, access on a "need to know" basis only, intrusion detection technologies, and secure destruction and deletion of data. Kivuto is not responsible for any Customer data which is delayed, lost, altered, intercepted or stored during the transmission of any data across networks not owned and/or operated by Kivuto, including but not limited to, the internet and Customer's local network.

14.2 **Assignment.** Neither Party may assign or otherwise transfer this Agreement or any of its rights and obligations hereunder or any portion thereof without prior written approval of the other, which will not be unreasonably withheld; provided, however, that Kivuto may assign or otherwise transfer this Agreement or any of its rights or obligations hereunder, or any portion thereof, to its parent, subsidiaries, affiliates or successors. This Agreement and the rights and obligations created hereunder shall be binding upon and inure to the benefit of the parties hereto and the respective successors and permitted assignees of the Parties hereof and nothing in this Agreement expressed or implied, is intended or should be construed to confer upon a third party, any right, remedy or claim under this Agreement.

14.3 **Notices.** All notices, requests, demands and other communications under this Agreement shall be in writing and shall be sent to the addresses listed on the Sales Order. Notices shall be effective upon receipt and shall be deemed to be received as follows: i) if delivered by nationally recognized overnight courier, effective the business day following the date of shipment; ii) if by mail the earlier of actual receipt or five (5) business days from the date deposited in the mail; iii) if delivered by email, effective on the first business day after delivery.

14.4 **Relationship of Parties.** The Parties and their respective employees and representatives are independent contractors. Nothing contained in the Agreement shall be deemed to create any partnership, agency, joint venture or fiduciary relationship between Kivuto and Customer for any purpose.

14.5 **No Third-Party Beneficiaries.** This Agreement is for the sole benefit of the parties hereto and their respective successors and permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any other legal person any legal or equitable right, benefit or remedy of any nature whatsoever, under or by reason of this Agreement. The foregoing sentence notwithstanding, data subjects shall be entitled to exercise their rights as set forth in the General Data Protection Regulations (EU) 2016/679 as may be amended from time to time.

The Parties further agree that dispute resolution mechanisms and proceedings, where possible, are to take place in the City of Ottawa.

14.7 **Entire Agreement.** This Agreement including the related Sales Order, all schedules, exhibits and attachments constitute the entire agreement between the Parties with respect to the subject matter hereof and merges all prior and contemporaneous communications as to such subject matter. This Agreement may not be modified except by a written agreement dated subsequent to the Effective Date and signed on behalf of Kivuto and Customer by their respective duly authorized representatives. No waiver of any breach of any provision of this Agreement constitutes a waiver of any prior, concurrent or subsequent breach of the same or any other provisions hereof, and no waiver is effective unless made in writing and signed by an authorized representative of the waiving party.

14.8 **Severability.** If any term or provision of this Agreement is found by a court of competent jurisdiction to be illegal, invalid or otherwise unenforceable, such term or provision will not affect the Agreement's other terms and shall: (1) be deemed

modified to the extent necessary in the court's opinion to render such term or provision enforceable without materially altering the intentions of the Parties; or (2) be stricken and the remainder of this Agreement will remain in full force and effect.

14.9 **Publicity.** Neither Party will issue any press release concerning its relationship with the other, without the other Party's prior written consent (not to be unreasonably withheld).

14.10 **Dispute Resolution.** In the event of any dispute between the Parties hereto arising out of the interpretation, observance or performance of any covenant, condition or other provision of this Agreement, the Parties shall attempt to resolve such dispute by negotiation and discussion with a senior officer of each Party as a first method of conflict resolution.
